## W. O. SWAIN IS THE COUNTY CORN KING

Posey Township Man Wins Sweepstakes For Best Ten Ears of Corn of Any Variety

AWARDED A SILVER CUP

Argus Wagoner of Orange Township Awarded Other Cup For Best Single Ear, Any Variety

W. O. Swain of Posey township was crowned corn king of Rush county today when he was awarded the silver cup which was the sweepstakes prize for the best ten ears of corn of any variety displayed at the second annual Rush county corn show which opened in the court house Wednesday morning and was scheduled to close late this afternoon.

Argus Wagoner of Orange township was awarded the silver cup as the sweepstakes prize for the best single ear of any variety entered in the show.

Under the rules of the show, the silver cups do not become the property of the sweepstakes winners until they have been won three times successively by the same farmer.

Yellow corn, which predominated in the entries, was the prize winning corn in the ten ear sweepstakes class, but Mr. Wagoner's single ear sweepstakes winner was white corn.

The last prize was not awarded by C. E. Troyer of Wabash county, international corn king, until shortly before one o'clock today. The competition was so keen that the judge had to devote considerable time to inspecting the 172 entries in the various classes.

The awards were made in the culinary exhibit late Wednesday afternoon by Miss Inez Richardson of the Purdue home economics department and appear in another place on this page.

A program was being given this afternoon in the court house assembly room and short talks were to be given by both of the judges. Special music was also provided for the occasion.

The corridors on the first floor of the court house, the assembly room and sheriff's office was packed with people this afternoon who came to see the show and learn the names of the prize winners.

Total cash prizes awarded in the corn show amounted to \$643, in addition to the silver cups, and cash prizes in the woman's department amounted to \$75.

## BILL PROVIDES FOR PREVENTION OF FIRES

Will Prohibit Farmers From Firing  
Stubble Fields and Fires on  
Woodlands

DEPUTIES TO BE ASSIGNED

Indianapolis, Ind., Dec. 29—Plans for a net work of fire prevention has been embodied in a bill being drawn up by the state department of conservation for presentation at the legislature.

According to the bill, the state fire marshal shall be administering officer of the law with the power to appoint one or more deputies in the congressional districts. Each congressional district will be subdivided and deputies will be provided for each township.

The state forester would be assistant fire warden and would be given jurisdiction over all state forests and he may appoint deputies to assist him in breaking up land fires.

The primary purpose of the bill is to provide farmers from stinging to prevent farmers from starting fires on woodlands and stubble fields.

## 400 KILLED AT FIUME

Rome, Dec. 30.—Two hundred Italian soldiers were killed at Fiume it was reported here today. The defensive soldiers were said to have lost 40 killed, including two women fighters.

## CAPT. C. E. MARKS LEAVE

Salvation Army Officer, Transferred to Vincennes, to Depart Jan. 12

Captain Charles E. Marks of the Salvation Army will terminate his work in Rushville Wednesday, January 12, having been ordered to Vincennes, Ind., it was announced today. Capt. Marks received his instructions when he was called to Indianapolis Wednesday.

Capt. Marks came here from Michigan City, Ind., last August 1, succeeding Capt. J. A. Tench, who was sent to East Chicago. Envoys and Mrs. Thomas D. Edwards were ordered to Rushville as assistants to Capt. Marks last week, but it is not known whether they will remain or who will be sent to this city.

## COMPARISON IS MADE IN TABLE

State Tax Board Shows What Rates  
Would be if 1918 Valuations  
Were in Effect

MANY WOULD BE DOUBLE

Levies For Each Unit in Rush County For 1919 and 1920 Are Also Compared By Board

A table prepared by the state board of tax commissioners, which was made public today, shows what rates would have to be levied in each taxing unit of Rush county under the old tax law to raise the funds now being obtained.

The table was compiled for every county in the state, but naturally the most interest centers here in the Rush county rates. In addition to showing what the rates would be under the old law, the table also shows the difference between the rate of 1919 and that of 1920 and compares them with the rates levied under the old law, which was in effect in 1918, the new law taking effect in the spring of 1919.

The table reveals that if the 1918 valuations were still in force, the rates in each unit necessary to yield the amount of taxes which will be collected on the 1920 levies next year, would in some instances be twice as great. The table follows:

Unit	1918 Rates	Under 1918 Values
Ripley (Twp)	2.27	4.26
Carthage (Corp)	3.62	5.71
Posey (Twp)	2.30	4.36
Walker (Twp)	2.86	4.85

Noble (Twp)	2.15	3.86
Richland (Twp)	1.85	3.61
Rushville (City)	4.00	5.17

The following table compares the 1919 and 1920 levies:

Unit	1919	1920
Ripley (Twp)	1.03	1.55

## BLOOD TRANSFUSION IMPROVES PATIENT

Word Received Here Regarding Operation Performed to Save Mrs. Anthony Geraghty's Life

MANY OFFERS TO GIVE BLOOD

As the result of a blood transfusion operation, Mrs. Anthony Geraghty of Gary, Ind., sister-in-law of Mrs. Denny Ryan of this city, is recovering from a severe illness at the Mercy hospital in Gary, according to the Gary Evening Post.

Mrs. Geraghty has been in poor health for a year and recently little hope has been held out for her recovery. A week ago last Sunday they received word that she was not expected to live, but it is thought that the blood transfusion operation which is described in the Post as follows, will be successful:

"John Emery Owen made the sacrifice in allowing a pint or more of his blood to be transmitted to the veins of the sick woman, last Tuesday. Mr. Geraghty, who is an official in the Gary Motor Truck company, received the offer of 18 men in the company to be tested for the operation and when the tests were made Mr. Owen, who is 24 years old, was chosen. Owen is the son of Mr. and Mrs. Owen, who own the Union Floral shop."

## TO ELECT CITY CHAIRMAN

Republican Committees Will Meet January 15 For That Purpose

It is expected that more interest will be aroused in the forthcoming city primary in May and the city election next November following the action of the republican state committee in Indianapolis Wednesday. The committee fixed January 15 as the date for the republican city committees to elect their chairmen and make arrangements for the campaign.

The city committee is composed of the committeemen in the precincts within the city limits, making unnecessary the selection of new committeemen, who are elected under the statewide primary law.

## ELECTRICITY IS OFF WHILE MAKING CHANGE

New Wires Are Being Strung up Main Street to Better Lighting Conditions in City

NO LIGHTS DURING THE DAY

Practically the whole north end of Rushville has had the electric current cut off during the day time for almost a week, and this will continue while the employees at the city plant are making wire changes along the new route that is being laid out by Supt. Mahin.

A few weeks ago it was stated that the load was unbalanced on the wires, and that a third feed line was being constructed, which will relieve the situation. The new line begins at the plant and extends up to Fifth street along the Pennsylvania railroad and then east to Main and up Main to Eleventh street.

Workmen are now engaged in putting up new wires along Main street, and in so doing the current is shut off during the day time. The business section or factories are not affected by the change. Many housewives have experienced difficulty in getting ironing and washings done, where electricity is used.

## BOY IS HONORED GUEST

Louis Ludlow, Jr., Attends Banquet Given by Vice President

Louis Ludlow, Jr., age 13 years, son of Mr. and Mrs. Louis Ludlow, who were formerly of near Glenwood but now of Washington, D. C., was among the guests at the annual frolic of the Senate pages, which is given each Christmas by Vice President, Thomas R. Marshall. The banquet was held in the Senate restaurant and the young man was on the toast list, responding to a toast to the vice president. Mr. Marshall started the affair upon taking office, but was not present at the meeting on Christmas.

Mr. Ludlow, Sr., was formerly a staff correspondent for the Indianapolis Star, and is well known here. His sister, who was Ida Ludlow was a teacher in the high school here for a number of years.

## D. E. BADGER IMPROVES

D. E. Badger, of Manilla, who suffered a severe attack of acute indigestion Saturday night, is improving.

## TO ACCEPT RESIGNATION

Indiana Presbytery Meets Here Today to go Through Formality

A called meeting of the Indiana presbytery of the United Presbyterian church was held at the first U. P. church this afternoon to accept the resignation of the Rev. J. T. Aiken, the retiring pastor who has accepted a call to the church at Aurora, Ill. The meeting was largely a matter of formality and there was little doubt but that the presbytery would accept the resignation.

The Rev. Fred W. Smock of Calcedonia, the moderator, and the Rev. J. S. E. McMichael of the Springhill church, clerk of the presbytery, attended. It was expected some minister would be selected to declare the pulpit vacant. The Rev. Mr. and Mrs. Aiken will leave Friday night for Aurora.

## TENTATIVE SLATE FOR THE CABINET

President-elect Harding Reported to Have Practically Made up His Mind on Appointment

HUGHES MAY HEAD CABINET

Selection May be Revised and Others Are Mentioned as Being Held In Reserve

(By United Press)

Marion, Ohio, Dec. 30.—The first cabinet slate has been virtually completed by President-elect Harding, it was learned here today. This tentative slate is understood to be as follows:

Secretary of state, Charles E. Hughes, New York; secretary of treasury, Charles G. Dawes, Illinois; secretary of war, A. T. Hert, Kentucky; secretary of navy, John Weeks, Massachusetts; attorney general, Harry M. Daugherty, Ohio; postmaster general, Will H. Hays, Indiana; secretary of interior, Geo. Sutherland, Utah; secretary of agriculture, Henry C. Wallace, Iowa; secretary of commerce, Charles Warren, Michigan; secretary of labor, Herbert Hoover, California.

George B. Christian, Jr., of Marion is understood to have been decided upon for secretary to the president.

Harding, of course, probably will revise the slate to which his mind deems it wise and it is possible that the men already selected may be changed to other posts than those now in mind for it. New names may have to be substituted for those now on the list.

Among those in the reserve are Charles D. Hillis, New York, and George Reynolds, Chicago, for treasurer; Congressman Kahn, California, for war; Former Congressman J. J. Eseh, Wisconsin and J. Hampton Moore, Pennsylvania, for commerce; Governor Campbell, of Arizona, for interior and Albert J. Beveridge, Indiana, for labor.

Most of the names on the first slate are subject to criticisms and some of them might influence the president-elect that may cause him to change his mind.

## IS GOING TO LOS ANGELES

Will M. Bliss Takes Position as Animated Advertising Corporation

Will M. Bliss, who retired a few months ago from the clothing firm of Bliss and Cowing, will leave Sunday afternoon for Los Angeles where he will establish an office as the California representative of the Animated Advertising Corporation of Kansas City. He will stop off in Kansas City at the main office of the concern while enroute to Los Angeles.

A subsidiary to the main plant at Kansas City, will be established at Los Angeles, Mr. Bliss says, and he will be in charge of the business for the whole state of California. He states that the concern is new, being a year old, but that the prospects for its success are very bright.

## NOT TO CONSIDER APPROPRIATIONS

In View of Declining Living Costs Legislators Take Positions Amount Asked are Unnecessary

COLLEGES WANT INCREASE

Persons Seeking Higher Appropriations are Watching Fight For The Speakership of the House

(By United Press)

Indianapolis, Ind., Dec. 30.—Members of the 72nd general assembly convening here next week are expected to pay little heed to the requests of state institutions and state governmental departments for greatly increased appropriations with which to carry them through the next two years.

Many of the legislators conceded that there is need for more money in nearly every instance it is asked but in view of the declining living costs and the dropping costs operation they take the position that the entire amount asked are not necessary. Hence, the law makers are expected to lop off some of that asked at the same time boosting the appropriations over those of the 1919 session.

A survey of the legislative history of the state and a digest of some of the requests to be placed before the government in 1910 will be multiplied if all the money requests are granted.

Faculties at the three state supported universities and state normal are 100 professors short of the number needed to properly instruct the students attending Indiana, Purdue and the State Normal. Insufficient funds to obtain the number of professors to the faculties is the reasons assigned for this condition in the state supported schools of higher education. In comparisons with the faculties in the state supported university faculties in surrounding states the Hoosier Institutions are below the minimum mark of the other states.

In this connection, those department and institution heads asking more money are manifesting much interest in the probable personnel of the house ways and means committee to which all appropriations are referred upon their introduction in the lower body. A somewhat lesser interest is shown in the senate financing committee which will be at liberty to tentatively remould the money bills when they come from the house.

The speaker of the house will appoint all house committees and for this reason the persons who want higher appropriations are watching the fight or the speakership. They

## WILL B. HILL DIES OF BLOOD POISONING

Life Long Resident of Carthage Community Expires in Henry Co. Where He Moved 2 Years Ago

FUNERAL FRIDAY AT 10 A. M.

Will B. Hill, age sixty years, who lived about four miles west of Carthage all of his life until two years ago, died Wednesday at his home northwest of Knightstown, in Henry county. He had been ill only about two weeks with blood poisoning, which caused his death.

Mr. Hill was one of the best known and best liked farmers who ever lived in the Carthage community. He was a member of the Friends church.

The deceased is survived by the widow and one daughter, Mrs. Marjorie Hill Allee of Lake Forest, Ill.; two sisters, Mrs. Nathan Hill and Miss Leona Hill of Greenfield, and four grandchildren.

The funeral services will be held at the late residence Friday morning at ten o'clock, with the Rev. Z. H. Doan of Knightstown in charge. Burial will take place at Walnut Hill cemetery, west of Carthage.

## 1920 BROKE ALL ATHLETIC RECORDS

Indiana Institutions Enjoyed Prosperous Season in all Ventures Undertaken

### BASEBALL SHINES BIG

Notre Dame and Indiana Made Good Records Also in Track Events—Other Citations

By HEZE CLARK

Indianapolis, Ind., Dec. 30—As the athletic year is closing it is interesting to note that the college teams of the Hoosier state have in all branches of athletic activities made better records in 1920 than most of the teams from other states.  
Indiana and Notre Dame had baseball teams that were in the class with the leading college nines of the country. Some of the smaller colleges were developing material during the spring of 1920 that gives promise that these schools will have baseball teams equal to the big universities in the 1921 season. It must be remembered that the college baseball season is short. Practice, of course, is in the gymnasium where the nets are dropped and the boys bat them out and do a little pitching but the out of door season is only a little more than two months in length and the fact that some wonderful baseball stars are developing among the college athletes in the short season is really remarkable.

Notre Dame had the best all around track team of the Hoosier college during the 1920 season. However, Purdue with Capt. Furnace the wonderful distance runner had some track men who are equal to the best in the country. Wabash had a championship relay which won nationwide fame by capturing first honors in the Drake relay races.

An important thing in track athletics during the 1920 season was the fact that so many good track and field athletes were developed in so many different colleges in all parts of the state. Franklin had the speedy Kingsolver in the sprints. Knecht, the great sprinter at Wabash was a whirlwind and Nabors, the tall hurdle star, won many points for the Little Giants.

Indiana was strong in field events and DePauw had a well balanced track team. Coach Pat Page developed a cross country team that was second in Indiana only to Purdue the state champion.

Purdue had a strong claim to the Big Ten conference championship in basketball at the close of the season in March 1920, being second only to Chicago which team played more conference games but which quintet was not on the Boilermakers schedule. There were a number of teams in Indiana besides Purdue that were equal to the best in the west in basketball these being Wabash, DePauw and Indiana university.

## BIG TYPE POLAND CHINA BROOD SOW SALE

To be held on the

**Hoosier Stock Farm, Gwynneville**  
**WEDNESDAY, JAN. 5, 1921**

Sale Commences at 12:00 O'clock Sharp

Consisting of  
**45 BRED SOWS and 5 BOARS**

In this offering we have one of the finest lot of sows we have ever offered in a public auction. They are sired by such noted boars as Giant Buster, Rainbow Bob, Luken's Big Bob, Big Bib Orphan, and Prairie Giant. The sows have the very best blood lines of the breed and are a high-class of individuals and mostly bred to the great brood sow sire Rainbow Bob.

The following is what some of the greatest stock men have said about Rainbow Bob: Harry Spurling, Rainbow Bob has a back and a type that we see topping our best sales. I believe he is one of the greatest brood sow sires the breed has today. And a litter of his pigs will grace any sale ring. G. S. Johnson, "Rainbow Bob and Pass Port would be the leading boars of the state." Bert Stafford, "No boar is doing more towards elevating the standard of brood sows than Rainbow Bob. His daughters are almost as essential to a herd now as Disher's Giant daughters were several years ago."

Good Liberal Terms will be given and announced on day of sale.

All interurban cars will be met up to noon at Gwynneville, and conveyed to the farm which is one mile north of Gwynneville, Indiana.

Sale will be held in heated sale pavilion which will provide comfort for everyone no difference how cold it may be.

Warm Dinner will be served at 11:00 o'clock by Ladies Aid of the U. B. Church.

We especially invite everybody to come early and look the offering over before the sale begins.

**Lowering the Cost of Living**

Price is not the real test of economy. You can best reduce the cost of living in your home by purchasing goods that are standard in quality — that will give you longer service and greater value.

A sure test of quality merchandise is this: "Do you see it advertised consistently and persistently?" If you do, it is good value. No sane merchant or manufacturer would continue to spend good money advertising poor merchandise. When he urges you to buy his product, he is staking his good name on your satisfaction. And he can't afford to lose!

So read the advertisements—regularly. They protect you against fraud and inferiority. They tell you what is new and good—making you a wise buyer. And they save you money by selecting for your consideration only the best products in every line of merchandise.

Advertisements are written and printed for your benefit. Make it your habit to read them and profit by them.

**World's Smallest Coin.**

The coin of the least value ever issued is the "mite," so called, such as the widow of the Bible contributed to the poor. Its shape was hexagonal, and its value about one-fiftieth of a cent. It would take five thousand mites to make one dollar.

**FLAW FOUND IN LAW OF MAYORALTY ELECTION**

Though Chicago Mayor's Term Does Not End For 2 Years The Discovery Would End Term in Spring

**DEMOCRATS WANT ELECTION**

(By United Press)  
Chicago, Dec. 30.—Though Mayor William Hale Thompson's term does not expire for more than two years democrats claim they have discovered a flaw in the law whereby a four year mayoralty term was authorized which would end Thompson's term next spring and force a new election.

As a result of the discovery the democrats are considering a plan whereby they would institute court proceedings in an effort to force the Chicago Board of Elections to call a mayoralty election.

Democrats see in this a hope of landing the prize for themselves, because of a split in republican ranks.

They have already started grooming candidates and there is a strong movement to stage a 'come back' for Carter H. Harrison, several times mayor of Chicago.

Should the democrats be successful in upsetting the law on terms of mayors it would mean that mayoralty elections would have to be held in a number of Illinois cities.

**30,000 YOUNGSTERS VICTIMS OF RICKETS**

Of all diseases that are taking a deadly toll among the children of Vienna as the result of under-feeding rickets is proving the most serious and widespread menace. Not less than 30,000 children are suffering from this painful affliction, according to official estimates.

To rescue these through providing proper food, clothing and medical attention that otherwise they cannot obtain the European Relief Council, composed of eight leading American relief agencies, is making a joint appeal for \$33,000,000 for the relief of 3,500,000 destitute and suffering European children.

**1,500,000 POLISH CHILDREN SICK.**

One million five hundred thousand children in Poland today need medical attention. Their condition has been caused by hunger and want. To save them the European Relief Council is appealing to the people of the United States for \$33,000,000 to carry on relief work in stricken Europe.

**EFFORTS TO REDUCE BIG APPROPRIATION**

First Bill Laid Before Congress Shows a Tendency to Cut Down Operating Expenses

**ONE BILL CUT \$52,237,514**

Washington, Dec. 30.—The first of the big appropriations laid before congress today bore the marks of efforts to reduce governmental expenditures.

The appropriation was the sundry civil appropriation bill reported to the house by the appropriation committee. It calls for \$383,611,291.41, which is \$52,237,514.41 less than carried in the similar bill last year and \$420,914,192.45 less than requested by the government departments.

The appropriations in the bill are to provide for a large number of miscellaneous activities during the fiscal year beginning next July.

The committee on the bill appropriated \$23,000,000 for death or disabled, compensation and hospital treatment for world war veterans.

**CHILDREN'S CLASSES WIN**

Contest in Big Flatrock Christian Sunday Schools Closed

The Big Flatrock Christian Sunday school ended a contest last Sunday in which all of the classes have been engaged. The combined classes of Mrs. Elmer Hungerford, Miss Lena Hungerford and Miss Florine Hungerford, which composed the children's department, won by a large margin. The points considered were attendance, offering, new members and visitors. The contest has been running for eight weeks and has added considerable interest to the school. The winners will in the near future be entertained by the losers.

On Friday evening the school gave a very interesting Christmas program, which consisted of music, readings and recitations. At the close of the program presents were distributed from a large Christmas tree. The program was in charge of the music committee, Mrs. Thrall, Mrs. Kellam, Mrs. Piper, Miss Zella Hungerford, Miss Hazel Shaw and Miss Edith Hungerford.

## What We Have and Need

The year 1921 is before us. What we of this community accomplish in the next twelve months will depend mainly upon us—upon the manner in which we grasp the opportunities that are open to us.

There is no occasion for becoming alarmed over the present decline in commercial activity. The country is undergoing a period of readjustment which is quite necessary and for the best, but the old ship is not going to hit the rocks, or even cruise in dangerous waters.

Europe charges us with being a nation of commercialists, and per-

haps it is true—and to our credit. Commercialists are rather keen on annexing the coin of the republic, and of other countries and are not given to asking other people to support them in idleness.

Throughout the coming year we should utilize our commercial instinct to the fullest extent.

Our fertile soil is full of wealth and all that is required is to reach down and dig it out.

Our factories, and our mills, and all of our varied yankee enterprises are capable of vast production of articles that are in demand the world over.

We have more money than ever before in our history, and are able to finance any undertaking.

We have will power and the initiative to accomplish that which we undertake.

We have health, and energy, and perseverance, and the knowledge necessary to the achievement of success in our undertakings.

And we have opportunity.

But there are a few things we need, and without which our successes will not be the marvels expected from American people.

We need greater business and commercial honesty.

We need enhanced confidence one in another.

We need to do a full day's work in exchange for a day's pay.

We need a more direct market from producer to consumer.

We need to forego the insane desire to get rich in a day, and learn to become satisfied with a fair and reasonable accumulation of this world's good.

We need We need to forego the insane desire to get rich in a day,

and learn to become satisfied with a fair and reasonable accumulation of this world's goods.

We need to follow more closely teachings of the Golden Rule.

In the year that is before us we of this community should use every effort to achieve even greater successes than have come to us in the years that have flown, but those successes should be such as will redound to the credit of mankind and to the alleviation of the ills of humanity.

The reparations commission is required to report by May 1 a definite amount of indemnity that Germany will be required to pay. That is the time for the United States to renew with vigor its request that definite arrangements be made for the liquidation of the \$10,000,000,000 indebtedness owed by Europe to the American Treasury. The sole reason for a German indemnity is to relieve the allies from the huge war cost forced upon them. A very substantial part of that cost is represented by loans from this country, and a corresponding share of any indemnity that is received should be devoted to their payment.

Some men will spend hours in reading the sport pages of the daily papers. But if they had to spend thirty minutes in reading the Bible they'd either go to sleep or want to charge overtime for their services.

We refer to Job as the most patient of men, but the old boy wasn't a newspaper publisher.

Success to you in 1921—but you'll have to hustle for it.

## MILK PUNCH PARAGRAPHS

The milk man delivers bottles from door to door and since prohibition we're all drinking more. Milk is one form of liquid refreshment which all of us—men, women and children, imbibe from infancy until old age. Of late, milk drinks have become even more popular at soda fountains. And, undoubtedly, this dairy product is still holding its own in the home. Most of us are acquainted only with the milk of the cow. But, there is the liquid from the cow-plant from Ceylon, the juice of the fuzzy coconut and the sap from the fig tree. Then, also, astronomers rave over the milky way with its countless millions of stars. Every now and then we laugh with delight at the subtle comments about milk made in "Topics of the Day" films on the screen at theatres. Undoubtedly a milk train of thought is of universal appeal. So, we have condensed for you the cream of milk witticisms as a "dry" drink in keeping with times.

"Mother, Dear, will our cow go to heaven when she dies?" "No, my child." "Then, will we have to go to Hell for our milk?"

GREENVILLE (S. C.) PIEDMONT

# SOCIETY

Mr. and Mrs. D. D. Powell and daughter Helen entertained at their home in West Fourth street with a Christmas dinner Saturday. The guests were Hayes W. Jones and Forrest P. Jones of Indianapolis.

The local D. A. R. chapter will hold open house at the home of Mrs. D. D. VanOsdol, 212 West Third street, Saturday afternoon between the hours of 2:30 and 6:00 o'clock. The public is invited to call during these hours.

Miss Winifred Miller, daughter of Mr. and Mrs. Claude Miller of Orange township, entertained a number of her friends Tuesday evening with an informal social party. The hours were enjoyed with music and games and at the close the hostess served light refreshments.

A bountiful pitch-in Christmas dinner was given at the home of G. H. Dearing of Homer Sunday. Those participating in the affair were Mr. and Mrs. H. L. Fletcher and family, Mr. and Mrs. Herbert Dearing and daughter Evelyn, Mr. and Mrs. Clara Delinger, Walter Mull and Olin Florea.

Mrs. Will Wright entertained with a delightful Christmas dinner last Thursday, the following guests: Mrs. Elizabeth Warfield and children Margaret and Dorothy of Indianapolis and Mrs. Sarah Palmer and Miss Hazel Hall, Earl Hall, Willard Palmer, all of Rushville, and Vonnie Wright of near Gings.

Mr. and Mrs. Wilbur Nowlin and family entertained with a six o'clock turkey dinner Christmas eve at their country home southeast of Orange. The guests were William Chew and Jack Crist of Cleveland, Ohio, Mr. and Mrs. Alfred Chew of Indianapolis, Bert Chew of Richmond, Melvin Stamm of Glenwood and Cora Earls.

Announcement has been made of the marriage of Miss Gladys Deffenbaugh, of Lynn, Ind., to James Lindale, also of Lynn, but formerly of Glenwood, which occurred Christmas day. The bridegroom is a veteran of the world war and served overseas during the war. The bride is well known in Lynn, Ind. Mr. and Mrs. Lindale will make their home in Lynn.

Miss Helen Spivey entertained a number of her little friends Tuesday afternoon from 2:30 to 5:00 o'clock at her home in North Jackson street. Games and music were the amusements for the afternoon and at the close of the party delicious refreshments were served. The out-of-town guests were Miss Katherine Reagle of Arlington and Leone Downs of Milroy.

Mr. and Mrs. Charles Miller living southwest of the city entertained with a Christmas turkey dinner. The guests were Mr. and Mrs. Casper Johnson and family, Edward Johnson and daughter Clara of Rushville; Mr. and Mrs. Clarence Whitton and family of Sexton; Mr. and Mrs. Claude Fletcher and son Francis of Shelbyville; Mr. and Mrs. Brack Johnson of near Raleigh and Mr. and Mrs. Lefe Johnson and Miss Lois Miller of near Gings.

Mr. and Mrs. Elmer Hungerford and son Iden entertained with a pitch-in dinner Christmas day the following guests: Mr. and Mrs. Henry Hungerford, Mrs. Mary H. Ward, Miss Mary Ward, Mr. and Mrs. Virgil Simpson and son Ward, Mr. and Mrs. Grant Miller, Mrs. D. E. Badger, Mr. and Mrs. Oliver Wagoner and family, Mr. and Mrs. Fred

## Says It First and Says It Last

Carrie G. Harrel, 319 Nicholson St., Norfolk, Va., writes: "I'll tell anybody that Foley's Honey and Tar is all right. It did me all the good. I said it first and I'll say it last." Thousands of bottles of this reliable remedy were bought last week by careful mothers so as to be prepared to check coughs, colds and croup at the beginning. It acts almost instantly, cuts phlegm, soothes raw, irritated membranes, stops tickling in throat. F. B. Johnson.—(Adv.)

Maple and family of Spiceland, Bernice Montanye, Roscoe Wagoner of Mays and Melvin Thompson of Grant county.

Miss Ruby Stewart, only daughter of M. L. Stewart of near New Salem was married Wednesday afternoon at 3:30 o'clock at the home of her father, to Homer Roberts, a young farmer, son of John Roberts of Glenwood. The Rev. Talmage De-frees performed the ceremony. The bride is a well known young lady of the New Salem vicinity and is an accomplished pianist. Mr. Roberts served two years at Camp Taylor, Louisville, Ky. The bridal couple left for a brief honeymoon in Ohio after which they will be at home to their friends with the bride's father.

The little Misses Olive Marie Miller and Jean Clark were charming little hostesses yesterday afternoon at the home of the latter in North Sexton street, when they entertained thirty-one of their little friends with a Christmas party. The hours were from three to five o'clock during which the children played games and gifts were distributed to each guest by Santa Claus, who was present for the affair. The home was prettily decorated for the occasion with the Christmas emblems and a miniature Christmas tree. At the close of the party the guests were invited into the dining room where a delicious luncheon was served. New Year's bells were distributed as favors.

The Christmas dance at the Social club Wednesday evening was enjoyed by more than fifty couples and proved to be one of the most delightful social functions of the holiday season. The dance was made more enjoyable by the presence of scores of visitors from a number of places, including many of the colleges and university students who are home for the vacation.

The club dancing room was very tastefully decorated in red, white and green, red and white crepe paper being used very effectively in the decorative scheme, which was suggestive of the holidays. A Bluffton orchestra of six pieces provided splendid music. A buffet luncheon was served during the evening.

## Superb Wrap for Evening

MERELY looking at the sumptuous wraps, designed for evening wear, transports the mind into realms of delight; to regions where the ears feast upon music and the eyes are delighted with color. Never was there a greater variety of lovely evening wraps or more merit in the wraps themselves than this season has presented to women of fashion. Although great modistes have differed as to their lines, and thereby made a choice of silhouettes, they are of one mind in selecting the richest of colors, the most gorgeous of materials and in placing in their company luxurious furs.

Some of these coats hang in full straight lines that ripple about the ankles. Others are somewhat less prodigal of fullness, but all are ample. Collars, whether of fur or fabric, are high, and colors, starting with such vivid tones as orange, vermillion and henna, in velvet, travel all the way to black in chameuse. Many lovely blues are displayed with royal blue seeming to find in evening wraps the best of all mediums for its use. One would have to look far to find any-

thing more beautiful than dark henna used in wraps made of panne velvet.

Embroideries, in an embroidery season, go to all lengths of gorgeousness on evening wraps and motifs show inspiration from far corners of the earth—if any corner can be considered far in these days. With the addition of bands of fur, the ultimate in luxury is reached. Two very good examples are shown here of wraps that will hold their own in any splendid company. One of them, made of a heavy crepe silk in six tiers, employs narrow bands of fur to outline the joinings, and belongs in the class of capes or cape-like garments that are always fine-style. The other combines gold and black brocade satin with black velvet in a dolmanlike wrap, with a novel velvet collar that wraps about the throat and ends in a big chou at the left.

## PLIGHT OF EUROPE'S CHILDREN STAGGERS

3,500,000 Facing Starvation Can Only Be Saved by America's Response to Joint Appeal.

It is utterly impossible for one who has not actually seen the misery of the early Autumn in Europe to visualize what the children of the Eastern and Central portions of the continent face this winter. To say that 3,500,000 children have no alternative to starvation or death from disease except American aid, is startling, but independent observers by the score and careful scientific surveys of the economic and crop conditions overseas brand the figure as conservative.

In Poland, for instance, where 1,308,000 youngsters last year subsisted almost entirely on the one free American meal a day that they received, conditions as winter closes down, are worse than ever before. The Bolshevik invasion stripped large portions of the country of all grain. Professor E. D. Durand, Food Advisor to the Polish government, after an exhaustive survey, has reported that only forty per cent is available of the food necessary to carry the population through the winter.

In the city of Vienna tests conducted in the American Relief Administration food kitchens showed that 52 per cent of the children between the ages of 6 and 14 were "seriously under-nourished." Thirty-three per cent were markedly under-nourished, 11 per cent were slightly subnormal and only 4 per cent approached the state of a normal American child. The American Relief Administration is feeding 300,000 Austrian children every day now, and there is no chance of diminution of need before next harvest.

The spectacle of the medical needs of Europe's children is equally appalling. Estimates reaching the American Red Cross as to needs for medical service in the destitute areas this winter include: Old Austria-Hungary, 750,000; new Poland, 1,500,000; Czechoslovakia, 200,000; Serbia, 150,000, and Roumania, 100,000. In the fiscal year of 1919-20 the Red Cross has reached with the veritable gift of life 1,500,000 children in the affected areas. Tuberculosis is prevalent to a terrific degree. Five children out of seven in the city of Warsaw, for instance, have been found to be tubercular. Typhus is widespread; rickets, the right-hand of under-nourishment is almost universal, and cholera lifts its grim head constantly in one place and another.

The European Relief Council, comprising the American Relief Administration, the American Red Cross, the American Friends' Service Committee

(Quakers), the Jewish Joint Distribution Committee, the Federal Council of the Churches of Christ in America, the Knights of Columbus, the Y. M. C. A. and the Y. W. C. A., seeks \$33,000,000 with which to meet the situation. It has estimated that at least \$23,000,000 must be had for food and \$10,000,000 for medical service to avert absolute disaster among the threatened children. Checks may be sent to your local committee or to Franklin K. Lane, treasurer European Relief Council, 42 Broadway, New York, or to the Child Feeding Fund, Literary Digest, New York City.

## The Newly Married.

Nothing is to me more distasteful than that entire complacency and satisfaction which beam in the countenances of a newly married couple—in that of the lady particularly; it tells you that her lot is disposed of in this world; that you can have no hopes of her. It is true I have none, nor wishes either, perhaps, but this is one of those truths which ought, as I said before, to be taken for granted, not expressed.—Charles Lamb.

## Acme Pig Meal Prices Reduced Dec. 6th

ACME PIG MEAL has made a larger reduction in price per ton than CORN or any other ration, barring none. ACME PIG MEAL has been reduced \$17.50 per ton since August 1, 1920, whereas barley is selling for about the same price as a year ago, and CORN is selling at \$17 per ton less than a year ago.

The retail prices on ACME PIG MEAL, shipped in paper lined burlap bags, are as follows:

100 lbs. ACME PIG MEAL	-----	\$4.10 cwt.
500 lbs. ACME PIG MEAL	-----	3.75 cwt.
1000 lbs. ACME PIG MEAL	-----	3.70 cwt.
1 Ton ACME PIG MEAL	-----	3.65 cwt.
2 Ton ACME PIG MEAL	-----	3.60 cwt.
3 Ton ACME PIG MEAL	-----	3.55 cwt.
5 Ton ACME PIG MEAL	-----	3.50 cwt.

Prices subject to change without notice

The general opinion is, Corn, Oats, ACME PIG MEAL, ACME CALF MEAL and ACME MILK FEED have reached ROCK BOTTOM PRICES. At the present prices there is more money feeding hogs, calves and poultry than in many months.

## In Search Of Adventure 2 Youths Meet Downfall In Robbing A Train

**Weary of Shop Life Illinois Boys Stage "Wild West" Stunt And One is Killed and Other Jailed, When Detectives Round Them up After Passengers Are Fleeed.**

Kankakee, Ill., Dec. 30.—Working in their father's little automobile shop in the little village of Greenville near here, was an uneventful existence for Jacob and Joseph Scott, the two youths who desired to add spice to their humdrum life by holding up the crack No. 2 New Orleans-Chicago passenger train on the Illinois Central, in wild west fashion.

As a result of their venture, Jacob is dead from a bullet wound fired by the railroad detective and Joseph is in jail, and the father and mother are heartbroken.

The two youths boarded the train while the flagman was climbing the rear end of the train as it was get-

ting started at Gillman, Ill. It was not long until the flagman felt three revolvers in his ribs. The two bandits said they were going to stick them up, when questioned by the trainman.

They entered the passenger coaches and pointed their revolvers toward the passengers and ordered them to 'stick them up.' A score of them obeyed. The brakeman was ordered to pass the hat to the passengers and they were instructed to drop their valuables into it. Two thousand dollars in jewelry and cash was collected.

The boys were captured a few hours later at Aroma Park station near here. Jacob made a dash from the officers and was found in an empty shop room. When the officers approached he began shooting until he emptied the shells from his revolver, then Special Railroad Agent O'neal returned fire and when the boy was found he was mortally wounded.

### PLAN NO NEW SHIPS NOW

**Republican Leaders Will Put Aside Daniel's Proposal**

Marion, Ohio, Dec. 30.—Republican leaders planned to scrap Secretary Daniel's proposal for further naval expansion, Congressman Kelly of Michigan, said while here conferring with President-elect Harding on naval matters.

No new ships were authorized on the appropriations for the coming year which were sliced \$50,000,000 below that of last years, Kelly said. "We must keep the potential strength of our navy intact," the congressman stated "but there is no immediate need of rushing work on new ships. The work will continue on those already authorized."

## W. O. SWAIN IS THE COUNTY CORNKING

Posey Township Man Wins Sweepstakes For Best Ten Ears of Corn of Any Variety

AWARDED A SILVER CUP

Argus Wagoner of Orange Township Awarded Other Cup For Best Single Ear, Any Variety

W. O. Swain of Posey township was crowned corn king of Rush county today when he was awarded the silver cup which was the sweepstakes prize for the best ten ears of corn of any variety displayed at the second annual Rush county corn show which opened in the court house Wednesday morning and was scheduled to close late this afternoon.

Argus Wagoner of Orange township was awarded the silver cup as the sweepstakes prize for the best single ear of any variety entered in the show.

Under the rules of the show, the silver cups do not become the property of the sweepstakes winners until they have been won three times successively by the same farmer.

Yellow corn, which predominated in the entries, was the prize winning corn in the ten ear sweepstakes class, but Mr. Wagoner's single ear sweepstakes winner was white corn. The last prize was not awarded by C. E. Troyer of Wabash county, international corn king, until shortly before one o'clock today. The competition was so keen that the judge had to devote considerable time to inspecting the 172 entries in the various classes.

The awards were made in the culinary exhibit late Wednesday afternoon by Miss Inez Richardson of the Purdue home economics department and appear in another place on this page.

A program was being given this afternoon in the court house assembly room and short talks were to be given by both of the judges. Special music was also provided for the occasion.

The corridors on the first floor of the court house, the assembly room and sheriff's office was packed with people this afternoon who came to see the show and learn the names of the prize winners.

Total cash prizes awarded in the corn show amounted to \$643, in addition to the silver cups, and cash prizes in the woman's department amounted to \$75.

## BILL PROVIDES FOR PREVENTION OF FIRES

Will Prohibit Farmers From Firing Stubble Fields and Fires on Woodlands

DEPUTIES TO BE ASSIGNED

Indianapolis, Ind., Dec. 29—Plans for a net work of fire prevention has been embodied in a bill being drawn up by the state department of conservation for presentation at the legislature.

According to the bill, the state fire marshal shall be administering officer of the law with the power to appoint one or more deputies in the congressional districts. Each congressional district will be subdivided and deputies will be provided for each township.

The state forester would be assistant fire warden and would be given jurisdiction over all state forests and he may appoint deputies to assist him in breaking up land fires.

The primary purpose of the bill is to provide farmers from staling fires on woodlands and stubble fields.

Salvation Army Officer, Transferred to Vincennes, to Depart Jan. 12

Captain Charles E. Marks of the Salvation Army will terminate his work in Rushville Wednesday, January 12, having been ordered to Vincennes, Ind., it was announced today. Capt. Marks received his instructions when he was called to Indianapolis Wednesday.

Capt. Marks came here from Michigan City, Ind., last August 1, succeeding Capt. J. A. Tench, who was sent to East Chicago. Envoys and Mrs. Thomas D. Edwards were ordered to Rushville as assistants to Capt. Marks last week, but it is not known whether they will remain or who will be sent to this city.

## COMPARISON IS MADE IN TABLE

State Tax Board Shows What Rates Would be if 1918 Valuations Were in Effect

MANY WOULD BE DOUBLE

Levies For Each Unit in Rush County For 1919 and 1920 Are Also Compared By Board

A table prepared by the state board of tax commissioners, which was made public today, shows what rates would have to be levied in each taxing unit of Rush county under the old tax law to raise the funds now being obtained.

The table was compiled for every county in the state, but naturally the most interest centers here in the Rush county rates. In addition to showing what the rates would be under the old law, the table also shows the difference between the rate of 1919 and that of 1920 and compares them with the rates levied under the old law, which was in effect in 1918, the new law taking effect in the spring of 1919.

The table reveals that if the 1918 valuations were still in force the rates in each unit necessary to yield the amount of taxes which will be collected on the 1920 levies next year, would in some instances be twice as great. The table follows:

Unit	1918 Rates Under 1918 Values	1920 Rates Under 1920 Values
Ripley (Twp)	2.27	4.26
Carthage (Corp)	3.62	5.71
Posey (Twp)	2.30	4.36
Walker (Twp)	2.86	4.85
Orange (Twp)	2.75	3.69

Noble (Twp)	2.15	3.86
Richland (Twp)	1.85	3.61
Rushville (City)	4.00	5.17

The following table compares the 1919 and 1920 levies:

Unit	1919	1920
Ripley (Twp)	1.03	1.55
Carthage (Corp)	1.34	2.01
Posey (Twp)	1.06	1.42

## BLOOD TRANSFUSION IMPROVES PATIENT

Word Received Here Regarding Operation Performed to Save Mrs. Anthony Geraghty's Life

MANY OFFERS TO GIVE BLOOD

As the result of a blood transfusion operation, Mrs. Anthony Geraghty of Gary, Ind., sister-in-law of Mrs. Denny Ryan of this city, is recovering from a severe illness at the Mercy hospital in Gary, according to the Gary Evening Post.

Mrs. Geraghty has been in poor health for a year and recently little hope has been held out for her recovery. A week ago last Sunday they received word that she was not expected to live, but it is thought that the blood transfusion operation which is described in the Post as follows, will be successful:

"John Emery Owen made the sacrifice in allowing a pint or more of his blood to be transmitted to the veins of the sick woman, last Tuesday. Mr. Geraghty, who is an official in the Gary Motor Truck company, received the offer of 18 men in the company to be tested for the operation and when the tests were made Mr. Owen, who is 24 years old, was chosen. Owen is the son of Mr. and Mrs. Owen, who own the Union Floral shop."

## TO ELECT CITY CHAIRMAN

Republican Committees Will Meet January 15 For That Purpose

It is expected that more interest will be aroused in the forthcoming city primary in May and the city election next November following the action of the republican state committee in Indianapolis Wednesday. The committee fixed January 15 as the date for the republican city committees to elect their chairmen and make arrangements for the campaign.

The city committee is composed of the committeemen in the precincts within the city limits, making unnecessary the selection of new committeemen, who are elected under the statewide primary law.

## ONE MARRIAGE LICENSE

A marriage license has been issued to Homer W. Roberts, a Rush county farmer, and Ruby Mae Stewart, daughter of M. L. Stewart of near New Salem.

## PHONE NUMBER CHANGED

The telephone number at O. M. Dale's residence has been changed to 1124.

## ELECTRICITY IS OFF WHILE MAKING CHANGE

New Wires Are Being Strung up Main Street to Better Lighting Conditions in City

NO LIGHTS DURING THE DAY

Practically the whole north end of Rushville has had the electric current cut off during the day time for almost a week, and this will continue while the employees at the city plant are making wire changes along the new route that is being laid out by Supt. Mahin.

A few weeks ago it was stated that the load was unbalanced on the wires, and that a third feed line was being constructed, which will relieve the situation. The new line begins at the plant and extends up to Fifth street along the Pennsylvania railroad and then east to Main and up Main to Eleventh street.

Workmen are now engaged in putting up new wires along Main street, and in so doing the current is shut off during the day time. The business section or factories are not affected by the change. Many housewives have experienced difficulty in getting ironing and washings done, where electricity is used.

## BOY IS HONORED GUEST

Louis Ludlow, Jr., Attends Banquet Given by Vice President

Louis Ludlow, Jr., age 13 years, son of Mr. and Mrs. Louis Ludlow, who were formerly of near Glenwood but now of Washington, D. C., was among the guests at the annual frolic of the Senate pages, which is given each Christmas by Vice President, Thomas R. Marshall. The banquet was held in the Senate restaurant and the young man was on the toast list, responding to a toast to the vice president. Mr. Marshall started the affair upon taking office, but was not present at the meeting on Christmas.

Mr. Ludlow, Sr., was formerly a staff correspondent for the Indianapolis Star, and is well known here. His sister, who was Ida Ludlow was a teacher in the high school here for a number of years.

## D. E. BADGER IMPROVES

D. E. Badger, of Manila, who suffered a severe attack of acute indigestion Saturday night, is improving.

## TO ACCEPT RESIGNATION

Indiana Presbytery Meets Here Today to go Through Formality

A called meeting of the Indiana presbytery of the United Presbyterian church was held at the first U. P. church this afternoon to accept the resignation of the Rev. J. T. Aiken, the retiring pastor who has accepted a call to the church at Aurora, Ill. The meeting was largely a matter of formality and there was little doubt but that the presbytery would accept the resignation.

The Rev. Fred W. Smock of Caledonia, the moderator, and the Rev. J. S. E. McMichael of the Springhill church, clerk of the presbytery, attended. It was expected some minister would be selected to declare the pulpit vacant. The Rev. Mr. and Mrs. Aiken will leave Friday night for Aurora.

## TENTATIVE SLATE FOR THE CABINET

President-elect Harding Reported to Have Practically Made up His Mind on Appointment

HUGHES MAY HEAD CABINET

Selection May be Revised and Others Are Mentioned as Being Held In Reserve

(By United Press)

Marion, Ohio, Dec. 30.—The first cabinet slate has been virtually completed by President-elect Harding, it was learned here today. This tentative slate is understood to be as follows:

Secretary of state, Charles E. Hughes, New York; secretary of treasury, Charles G. Dawes, Illinois; secretary of war, A. T. Hertz, Kentucky; secretary of navy, John Weeks, Massachusetts; attorney general, Harry M. Daugherty, Ohio; postmaster general, Will H. Hays, Indiana; secretary of interior, Geo. Sutherland, Utah; secretary of agriculture, Henry C. Wallace, Iowa; secretary of commerce, Charles Warren, Michigan; secretary of labor, Herbert Hoover, California.

George B. Christian, Jr., of Marion is understood to have been decided upon for secretary to the president.

Harding, of course, probably will revise the slate to which his mind deems it wise and it is possible that the men already selected may be changed to other posts than those now in mind for it. New names may have to be substituted for those now on the list.

Among those in the reserve are Charles D. Hillis, New York, and George Reynolds, Chicago, for treasurer; Congressman Kahn, California, for war; Former Congressman J. J. Esch, Wisconsin and J. Hampton Moore, Pennsylvania, for commerce; Governor Campbell, of Arizona, for interior and Albert J. Beveridge, Indiana, for labor.

Most of the names on the first slate are subject to criticisms and some of them might influence the president-elect that may cause him to change his mind.

## IS GOING TO LOS ANGELES

Will M. Bliss Takes Position to Animated Advertising Corporation

Will M. Bliss, who retired a few months ago from the clothing firm of Bliss and Cowing, will leave Sunday afternoon for Los Angeles where he will establish an office as the California representative of the Animated Advertising Corporation of Kansas City. He will stop off in Kansas City at the main office of the concern while enroute to Los Angeles.

A subsidiary to the main plant at Kansas City, will be established at Los Angeles, Mr. Bliss says, and he will be in charge of the business for the whole state of California. He states that the concern is new, being a year old, but that the prospects for its success are very bright.

## NOT TO CONSIDER

APPROPRIATIONS

In View of Declining Living Costs Legislators Take Positions Amount Asked are Unnecessary

COLLEGES WANT INCREASE

Persons Seeking Higher Appropriations are Watching Fight For The Speakership of the House

(By United Press)

Indianapolis, Ind., Dec. 30.—Members of the 72nd general assembly convening here next week are expected to pay little heed to the requests of state institutions and state governmental departments for greatly increased appropriations with which to carry them through the next two years.

Many of the legislators conceded that there is need for more money in nearly every instance it is asked but in view of the declining living costs and the dropping costs operation they take the position that the entire amount asked are not necessary. Hence, the law makers are expected to lop off some of that asked at the same time boosting the appropriations over those of the 1919 session.

A survey of the legislative history of the state and a digest of some of the requests to be placed before the government in 1910 will be multiplied if all the money requests are granted.

Faculties at the three state supported universities and state normal are 100 professors short of the number needed to properly instruct the students attending Indiana, Purdue and the State Normal. Insufficient funds to obtain the number of professors to the faculties is the reasons assigned for this condition in the state supported schools of higher education. In comparisons with the faculties in the state supported university faculties in surrounding states the Hoosier institutions are below the minimum mark of the other states.

In this connection, those department and institution heads asking more money are manifesting much interest in the probable personnel of the house ways and means committee to which all appropriations are referred upon their introduction in the lower body. A somewhat lesser interest is shown in the senate financing committee which will be at liberty to tentatively remould the money bills when they come from the house.

The speaker of the house will appoint all house committees and for this reason the persons who want higher appropriations are watching the fight or the speakership. They

## WILL B. HILL DIES OF BLOOD POISONING

Life Long Resident of Carthage Community Expires in Henry Co. Where He Moved 2 Years Ago

FUNERAL FRIDAY AT 10 A. M.

Will B. Hill, age sixty years, who lived about four miles west of Carthage all of his life until two years ago, died Wednesday at his home northwest of Knightstown, in Henry county. He had been ill only about two weeks with blood poisoning, which caused his death.

Mr. Hill was one of the best known and best liked farmers who ever lived in the Carthage community. He was a member of the Friends church.

The deceased is survived by the widow and one daughter, Mrs. Marjorie Hill Allee of Lake Forest, Ill.; two sisters, Mrs. Nathan Hill and Miss Leona Hill of Greenfield, and four grandchildren.

The funeral services will be held at the late residence, Friday morning at ten o'clock, with the Rev. Z. H. Doan of Knightstown in charge. Burial will take place at Walnut Hill cemetery, west of Carthage.

## 1920 BROKE ALL ATHLETIC RECORDS

Indiana Institutions Enjoyed Prosperous Season in All Ventures Undertaken

### BASEBALL SHINES BIG

Notre Dame and Indiana Made Good Records Also in Track Events—Other Citations

By HEZE CLARK

Indianapolis, Ind., Dec. 30.—As the athletic year is closing it is interesting to note that the college teams of the Hoosier state have in all branches of athletic activities made better records in 1920 than most of the teams from other states.

Indiana and Notre Dame had baseball teams that were in the class with the leading college nines of the country. Some of the smaller colleges were developing material during the spring of 1920 that gives promise that these schools will have baseball teams equal to the big universities in the 1921 season. It must be remembered that the college baseball season is short. Practice, of course, started in the gymnasium where the nets are dropped and the boys bat them out and do a little pitching but the out of door season is only a little more than two months in length and the fact that some wonderful baseball stars are developing among the college athletes in the short season is really remarkable.

Notre Dame had the best all around track team of the Hoosier colleges during the 1920 season. However, Purdue with Capt. Furnace the wonderful distance runner had some track men who are equal to the best in the country. Wabash had a championship relay which won nationwide fame by capturing first honors in the Drake relay races.

An important thing in track athletics during the 1920 season was the fact that so many good track and field athletes were developed in so many different colleges in all parts of the state. Franklin and the speedy Kingsolver in the sprints. Knecht, the great sprinter at Wabash was a whirlwind and Naylor, the tall hurdle star, won many points for the Little Giants.

Indiana was strong in field events and DePauw had a well balanced track team. Coach Pat Page developed a cross country team that was second in Indiana only to Purdue, the state champion.

Purdue had a strong claim to the Big Ten conference championship in basketball at the close of the season in March 1920, being second only to Chicago which team played more conference games but which quitted was not on the Boilermakers' schedule. There were a number of teams in Indiana besides Purdue that were equal to the best in the west in basketball these being Wabash, DePauw and Indiana university.

## FIRST ENTRY IS RECEIVED

Potato Show in Connection With Short Course at Purdue

Lafayette, Ind., Dec. 30.—The first entry has been received for the potato show which will be held at Purdue University in connection with the farmers annual short course at Purdue, Jan. 10 to 14, the peak of spuds coming from the LaGrange Agricultural class in the LaGrange high school. Two hundred and thirty-one boys competed in the potato club work during the past summer and most of these youngsters are expected to have exhibits which will compete for \$400 in prizes. Boys not in the clubs will compete for \$250 in premium money.

### The "Romance Languages"

The romance languages are the languages spring from Latin and bearing its impress strongly in vocabulary and grammar. It is usual to speak of seven or eight romance languages, even though such a division is not always scientifically accurate. These are Roumanian, Rumanian, (Rhetoric, Latin), Italian, French, Provençal, Spanish and Portuguese, to which may be added Catalan, Franco-Provençal, Sardinian and Dalmatian.

### Amusements

#### "The Charm School," Princess

One of the most charming figures in the new Paramount picture, "The Charm School" starring Wallace Reid, which will be shown at the Princess Theatre today and Friday is Lila Lee, who plays the leading feminine role opposite Mr. Reid.

Miss Lee will be remembered as having played with Mr. Reid in "Hawthorne of the U. S. A." Since her remarkable work in such famous pictures as C. B. De Mille's "Male and Female" in which she played the part of the little scullery maid, and later in William De Mille's production "The Prince Chap," the popularity of the little actress has increased by leaps and bounds.

In this picture, she is the principal charmer of the charm school and is the other party to the romance which blossoms when Wallace Reid, as Austin Bevan, inherits a girls' school from his aunt and converts it into an institution where young ladies are taught how to be charming, graceful and lovely.

The supporting cast includes many popular players and fifty beautiful young girls who appear as the pupils of the young ladies' school. C. E. Schoenbaum did the camera work.

### Lincoln Serial at Mystic

The present day enlightenment on spiritistic and similar subjects has demonstrated to a startling degree the mystic workings of the subconscious mind. Mental influence and thought transmission no longer are considered fanciful, but are well established facts.

The mysterious power which is given to some individuals over the actions and thoughts of others, is remarkably illustrated in "The Flaming Disk" the Universal serial at the Mystic Theatre today.

In it a master criminal subjects a brassy but weak-charactered youth of excellent family to his malign will. The result is a cunning, unscrupulous and powerful gangster.

The picture is a great moral lesson which should open the eyes of parents to the danger of permitting their children to come under the influence of baneful personalities, even casually.

"The Flaming Disk" is a chaptered photo-drama of the struggles between the U. S. Secret Service and a band of arch crooks. Elmo Lincoln, the Giant of the Screen is the hero. By a clever combination of plot and expert photography, he also plays a second role, that of a young gangster, supposedly the twin brother of the hero, who is a Secret Service agent.

Louise Lorraine is the leading woman.

## BIG TYPE POLAND CHINA BROOD SOW SALE

To be held on the

**Hoosier Stock Farm, Gwynneville**  
**WEDNESDAY, JAN. 5, 1921**

Sale Commences at 12:00 O'clock Sharp

Consisting of  
**45 BRED SOWS and 5 BOARS**

In this offering we have one of the finest lot of sows we have ever offered in a public auction. They are sired by such noted boars as Giant Buster, Rainbow Bob, Luker's Big Bob, Big Bib Orphan, and Prairie Giant. The sows have the very best blood lines of the breed and are a high class of individuals and mostly bred to the great brood sow sire Rainbow Bob.

The following is what some of the greatest stock men have said about Rainbow Bob: Harry Spurling, Rainbow Bob has a back and a type that we see topping our best sales. I believe he is one of the greatest brood sow sires the breed has today. And a litter of his pigs will grace any sale ring. G. S. Johnson, "Rainbow Bob and Pass Port would be the leading boars of the state." Bert Stafford, "No boar is doing more towards elevating the standard of brood sows than Rainbow Bob. His daughters are almost as essential to a herd now as Disher's Giant daughters were several years ago."

Good Liberal Terms will be given and announced on day of sale.

All interurban cars will be met up to noon at Gwynneville, and conveyed to the farm which is one mile north of Gwynneville, Indiana.

Sale will be held in heated sale pavilion which will provide comfort for everyone no difference how cold it may be.

Warm Dinner will be served at 11:00 o'clock by Ladies Aid of the U. B. Church.

We especially invite everybody to come early and look the offering over before the sale begins.

Lowering the Cost of Living

Price is not the real test of economy. You can best reduce the cost of living in your home by purchasing goods that are standard in quality — that will give you longer service and greater value.

A sure test of quality merchandise is this: "Do you see it advertised consistently and persistently?" If you do, it is good value. No sane merchant or manufacturer would continue to spend good money advertising poor merchandise. When he urges you to buy his product, he is staking his good name on your satisfaction. And he can't afford to lose!

So read the advertisements—regularly. They protect you against fraud and inferiority. They tell you what is new and good—making you a wise buyer. And they save you money by selecting for your consideration only the best products in every line of merchandise.

Advertisements are written and printed for your benefit. Make it your habit to read them and profit by them.

World's Smallest Coin.  
The coin of the least value ever issued is the "mite," so called, such as the widow of the Bible contributed to the poor. Its shape was hexagonal, and its value about one-fiftieth of a cent. It would take five thousand mites to make one dollar.

FLAW FOUND IN LAW OF MAYORALTY ELECTION

Though Chicago Mayor's Term Does Not End For 2 Years The Discovery Would End Term in Spring

DEMOCRATS WANT ELECTION

(By United Press)  
Chicago, Dec. 30.—Though Mayor William Hale Thompson's term does not expire for more than two years democrats claim they have discovered a flaw in the law whereby a four year mayoralty term was authorized which would end Thompson's term next spring and force a new election.

As a result of the discovery the democrats are considering a plan whereby they would institute court proceedings in an effort to force the Chicago Board of Elections to call a mayoralty election.

Democrats see in this a hope of landing the prize for themselves, because of a split in republican ranks.

They have already started grooming candidates and there is a strong movement to stage a 'come back' for Carter H. Harrison, several times mayor of Chicago.

Should the democrats be successful in upsetting the law on terms of mayors it would mean that mayoralty elections would have to be held in a number of Illinois cities.

35,000 YOUNGSTERS VICTIMS OF RICKETS

It is claimed that one-fifth of the children of Vienna are the result of under-feeding rickets is proving the most serious and widespread menace. Not less than 30,000 children are suffering from this painful affliction, according to official estimates.

To rescue these through providing proper food, clothing and medical attention that otherwise they cannot obtain the European Relief Council, composed of eight leading American relief agencies, is making a joint appeal for \$33,000,000 for the relief of 3,500,000 destitute and suffering European children.

1,500,000 POLISH CHILDREN SICK.

One million five hundred thousand children in Poland today need medical attention. Their condition has been caused by hunger and want. To save them the European Relief Council is appealing to the people of the United States for \$33,000,000 to carry on relief work in stricken Europe.

EFFORTS TO REDUCE BIG APPROPRIATION

First Bill Laid Before Congress Shows a Tendency to Cut Down Operating Expenses

ONE BILL CUT \$52,237,514

Washington, Dec. 30.—The first of the big appropriations laid before congress today bore the marks of efforts to reduce governmental expenditures.

The appropriation was the sundry civil appropriation bill reported to the house by the appropriation committee. It calls for \$383,611,291.41, which is \$52,237,514.41 less than carried in the similar bill last year and \$420,914,192.45 less than requested by the government departments.

The appropriations in the bill are to provide for a large number of miscellaneous activities during the fiscal year beginning next July.

The committee on the bill appropriated \$23,000,000 for death or disabled, compensation and hospital treatment for world war veterans.

CHILDREN'S CLASSES WIN

Contest in Big Flatrock Christian Sunday Schools Closed

The Big Flatrock Christian Sunday school ended a contest last Sunday in which all of the classes have been engaged. The combined classes of Mrs. Elmer Hungerford, Miss Lena Hungerford and Miss Florine Hungerford, which composed the children's department, won by a large margin. The points considered were attendance, offering, new members and visitors. The contest has been running for eight weeks and has added considerable interest to the school. The winners will in the near future be entertained by the losers.

On Friday evening the school gave a very interesting Christmas program, which consisted of music, readings and recitations. At the close of the program presents were distributed from a large Christmas tree. The program was in charge of the music committee, Mrs. Thrall, Mrs. Kellam, Mrs. Piper, Miss Zella Hungerford, Miss Hazel Shaw and Miss Edith Hungerford.

### What We Have and Need

The year 1921 is before us. What we of this community accomplish in the next twelve months will depend mainly upon us—upon the manner in which we grasp the opportunities that are open to us. There is no occasion for becoming alarmed over the present decline in commercial activity. The country is undergoing a period of readjustment which is quite necessary and for the best, but the old ship is not going to lift the rocks, or even cruise in dangerous waters. Europe charges us with being a nation of commercialists, and per-

haps it is true—and to our credit. Commercialists are rather keen on annexing the coin of the republic, and if other countries and are not given to asking other people to support them in idleness.

Throughout the coming year we should utilize our commercial instinct to the fullest extent.

Our fertile soil is full of wealth and all that is required is to reach down and dig it out.

Our factories, and our mills, and all of our varied yankee enterprises are capable of vast production of articles that are in demand the world over.

We have more money than ever before in our history, and are able to finance any undertaking.

We have will power, and the initiative to accomplish that which we undertake.

We have health, and energy, and perseverance, and the knowledge necessary to the achievement of success in our undertakings.

And we have opportunity. But there are a few things we need, and without which our successes will not be the marvels expected from American people.

We need greater business and commercial honesty.

We need enhanced confidence, one in another.

We need to do a full day's work in exchange for a day's pay.

We need a more direct market from producer to consumer.

We need to forego the insane desire to get rich in a day, and learn to become satisfied with a fair and reasonable accumulation of this world's good.

We need to forego the insane desire to get rich in a day,

and learn to become satisfied with a fair and reasonable accumulation of this world's goods.

We need to follow more closely teachings of the Golden Rule.

In the year that is before us we of this community should use every effort to achieve even greater successes than have come to us in the years that have flown, but those successes should be such as will redound to the credit of mankind and to the alleviation of the ills of humanity.

The reparations commission is required to report by May 1 a definite amount of indemnity that Germany will be required to pay. That is the time for the United States to renew with vigor its request that definite arrangements be made for the liquidation of the \$10,000,000,000 indebtedness owed by Europe to the American Treasury. The sole reason for a German indemnity is to relieve the allies from the huge war cost forced upon them. A very substantial part of that cost is represented by loans from this country, and a corresponding share of any indemnity that is received should be devoted to their payment.

Some men will spend hours in reading the sport pages of the daily papers. But if they had to spend thirty minutes in reading the Bible they'd either go to sleep or want to charge overtime for their services.

We refer to Job as the most patient of men, but the old boy wasn't a newspaper publisher.

Success to you in 1921—but you'll have to hustle for it.

## MILK PUNCH PARAGRAPHS

The milk man delivers bottles from door to door and since prohibition we're all drinking more. Milk is one form of liquid refreshment which all of us—men, women and children, imbibe from infancy until old age. Of late, milk drinks have become even more popular at soda fountains. And, undoubtedly, this dairy product is still holding its own in the home. Most of us are acquainted only with the milk of the cow. But, there is the liquid from the cow plant from Ceylon, the juice of the fuzzy coconut and the sap from the fig tree. Then, also, astronomers rave over the milky way with its countless millions of stars. Every now and then we laugh with delight at the subtle comments about milk made in "Topics of the Day" films on the screen at theatres. Undoubtedly a milk train of thought is of universal appeal. So, we have condensed for you the cream of milk witticisms as a "dry" drink in keeping with times.

"Mother, Dear, will our cow go to heaven when she dies?" "No, my child. Then, will we have to go to hell for our milk?"

# SOCIETY

Mr. and Mrs. D. D. Powell and daughter Helen entertained at their home in West Fourth street with a Christmas dinner Saturday. The guests were Hayes W. Jones and Forrest P. Jones of Indianapolis.

The local D. A. R. chapter will hold open house at the home of Mrs. D. D. VanOsdol, 212 West Third street, Saturday afternoon between the hours of 2:30 and 6:00 o'clock. The public is invited to call during these hours.

Miss Winifred Miller, daughter of Mr. and Mrs. Claude Miller of Orange township, entertained a number of her friends Tuesday evening with an informal social party. The hours were enjoyed with music and games and at the close the hostess served light refreshments.

A bountiful pitch-in Christmas dinner was given at the home of G. H. Dearing of Homer Sunday. Those participating in the affair were Mr. and Mrs. H. L. Fletcher and family, Mr. and Mrs. Herbert Dearing and daughter Evelyn, Mr. and Mrs. Clara Delinger, Walter Mull and Olin Florence.

Mrs. Will Wright entertained with a delightful Christmas dinner last Thursday, the following guests: Mrs. Elizabeth Warfield and children Margaret and Dorothy of Indianapolis and Mrs. Sarah Palmer and Miss Hazel Hall, Earl Hall, Willard Palmer, all of Rushville, and Vonnice Wright of near Gings.

Mr. and Mrs. Wilbur Nowlin and family entertained with a six o'clock turkey dinner Christmas eve at their country home southeast of Orange. The guests were William Chew and Jack Crist of Cleveland, Ohio, Mr. and Mrs. Alfred Chew of Indianapolis, Bert Chew of Richmond, Melvin Stamm of Glenwood and Cora Earls.

Announcement has been made of the marriage of Miss Gladys Deffenbaugh, of Lynn, Ind., to James Lindale, also of Lynn, but formerly of Glenwood, which occurred Christmas day. The bridegroom is a veteran of the world war and served overseas during the war. The bride is well known in Lynn, Ind. Mr. and Mrs. Lindale will make their home in Lynn.

Miss Helen Spivey entertained a number of her little friends Tuesday afternoon from 2:30 to 5:00 o'clock at her home in North Jackson street. Games and music were the amusements for the afternoon and at the close of the party delicious refreshments were served. The out-of-town guests were Miss Katherine Reagle of Arlington and Leone Downs of Milroy.

Mr. and Mrs. Charles Miller living southwest of the city entertained with a Christmas turkey dinner. The guests were Mr. and Mrs. Casper Johnson and family, Edward Johnson and daughter Clara of Rushville, Mr. and Mrs. Clarence Whitton and family of Sexton; Mr. and Mrs. Claude Fletcher and son Francis of Shelbyville; Mr. and Mrs. Braek Johnson of near Raleigh and Mr. and Mrs. Lufe Johnson and Miss Lois Miller of near Gings.

Mr. and Mrs. Elmer Hungerford and son Iden entertained with a pitch-in dinner Christmas day the following guests: Mr. and Mrs. Henry Hungerford, Mrs. Mary H. Ward, Miss Mary Ward, Mr. and Mrs. Virgil Simpson and son Ward, Mr. and Mrs. Grant Miller, Mrs. D. E. Badger, Mr. and Mrs. Oliver Wagoner and family, Mr. and Mrs. Fred

Maple and family of Spiceland, Bernice Montanye, Roscoe Wagoner of Mays and Melvin Thompson of Grant county.

Miss Ruby Stewart, only daughter of M. L. Stewart of near New Salem was married Wednesday afternoon at 3:30 o'clock at the home of her father, to Homer Roberts, a young farmer, son of John Roberts of Glenwood. The Rev. Talmage De-frees performed the ceremony. The bride is a well known young lady of the New Salem vicinity and is an accomplished pianist. Mr. Roberts served two years at Camp Taylor, Louisville, Ky. The bridal couple left for a brief honeymoon in Ohio after which they will be at home to their friends with the bride's father.

The little Misses Olive Marie Miller and Jean Clark were charming little hostesses yesterday afternoon at the home of the latter in North Sexton street, when they entertained thirty-one of their little friends with a Christmas party. The hours were from three to five o'clock during which the children played games and gifts were distributed to each guest by Santa Claus, who was present for the affair. The home was prettily decorated for the occasion with the Christmas emblems and a miniature Christmas tree. At the close of the party the guests were invited into the dining room where a delicious luncheon was served. New Year's bells were distributed as favors.

The Christmas dance at the Social club Wednesday evening was enjoyed by more than fifty couples and proved to be one of the most delightful social functions of the holiday season. The dance was made more enjoyable by the presence of scores of visitors from a number of places, including many of the colleges and university students who are home for the vacation.

The club dancing room was very tastefully decorated in red, white and green, red and white crepe paper being used very effectively in the decorative scheme, which was suggestive of the holidays. A Bluffton orchestra of six pieces provided splendid music. A buffet luncheon was served during the evening.

## PLIGHT OF EUROPE'S CHILDREN STAGGERS

### 3,500,000 Facing Starvation Can Only Be Saved by America's Response to Joint Appeal.

It is utterly impossible for one who has not actually seen the misery of the early Autumn in Europe to visualize what the children of the Eastern and Central portions of the continent face this winter. To say that 3,500,000 children have no alternative to starvation or death from disease except American aid, is startling, but independent observers by the score and careful scientific surveys of the economic and crop conditions overseas brand the figure as conservative.

In Poland, for instance, where 1,308,000 youngsters last year subsisted almost entirely on the one free American meal a day that they received, conditions as winter closes down, are worse than ever before. The Bolshevik invasion stripped large portions of the country of all grain. Professor E. D. Durand, Food Advisor to the Polish government, after an exhaustive survey, has reported that only forty per cent is available of the food necessary to carry the population through the winter.

In the city of Vienna tests conducted in the American Relief Administration food kitchens showed that 52 per cent of the children between the ages of 6 and 14 were "seriously under-nourished." Thirty-three per cent were markedly under-nourished, 11 per cent were slightly subnormal and only 4 per cent approached the state of a normal American child. The American Relief Administration is feeding 900,000 Austrian children every day now, and there is no chance of diminution of need before next harvest.

The spectacle of the medical needs of Europe's children is equally appalling. Estimates reaching the American Red Cross as to needs for medical service in the destitute areas this winter include: Old Austria-Hungary, 750,000; new Poland, 1,500,000; Czechoslovakia, 200,000; Serbia, 150,000, and Roumania, 100,000. In the fiscal year of 1919-20 the Red Cross has reached with the veritable gift of life 1,500,000 children in the affected areas. Tuberculosis is prevalent to a terrific degree. Five children out of seven in the city of Warsaw, for instance, have been found to be tubercular. Typhus is widespread; rickets, the right-hand of under-nourishment is almost universal, and cholera lifts its grim head constantly in one place and another.

The European Relief Council, comprising the American Relief Administration, the American Red Cross, the American Friends' Service Committee

(Quakers), the Jewish Joint Distribution Committee, the Federal Council of the Churches of Christ in America, the Knights of Columbus, the Y. M. C. A. and the Y. W. C. A., seeks \$33,000,000 with which to meet the situation. It has estimated that at least \$23,000,000 must be had for food and \$10,000,000 for medical service to avert absolute disaster among the threatened children. Checks may be sent to your local committee or to Franklin K. Lane, treasurer European Relief Council, 42 Broadway, New York, or to the Child Feeding Fund, Literary Digest, New York City.

**The Newly Married.**  
Nothing is to me more distasteful than that entire complacency and satisfaction which beam in the countenances of a newly married couple. In that of the lady particularly; it tells you that her lot is disposed of in this world; that you can have no hopes of her. It is true I have none, nor wishes either, perhaps; but this is one of those truths which ought, as I said before, to be taken for granted, not expressed.—Charles Lamb.

## Superb Wrap for Evening

MERELY looking at the sumptuous wraps, designed for evening wear, transports the mind into realms of delight; to regions where the ears feast upon music and the eyes are delighted with color. Never was there a greater variety of lovely evening wraps or more merit in the wraps themselves than this season has presented to women of fashion. Although great modistes have differed as to their lines, and thereby made a choice of silhouettes, they are of one mind in selecting the richest of colors, the most gorgeous of materials and in placing in their company luxurious furs.

Some of these coats hang in full straight lines that ripple about the ankles. Others are somewhat less prodigal of fullness, but all are ample. Collars, whether of fur or fabric, are high, and colors, starting with such vivid tones as orange, vermillion and henna, in velvet, travel all the way to black in charmeuse. Many lovely blues are displayed with royal blue seeming to find in evening wraps the best of all mediums for its use. One would have to look far to find anything more beautiful than dark henna used in wraps made of panne velvet.

Embroderies, in an embroidery season, go to all lengths of gorgeousness on evening wraps and motifs show inspiration from far corners of the earth—if any corner can be considered far in these days. With the addition of bands of fur, the ultimate in luxury is reached. Two very good examples are shown here of wraps that will hold their own in any splendid company. One of them, made of a heavy crepe silk in six tiers, employs narrow bands of fur to outline the joinings, and belongs in the class of capes or cape-like garments that are always fine style. The other combines gold and black brocaded satin with black velvet in a dolmanlike wrap, with a novel velvet collar that wraps about the throat and ends in a big chou at the left.

### Acme Pig Meal Prices Reduced Dec. 6th

ACME PIG MEAL has made a larger reduction in price per ton than CORN or any other ration, barring none. ACME PIG MEAL has been reduced \$17.50 per ton since August 1, 1920, whereas barley is selling for about the same price as a year ago, and CORN is selling at \$17 per ton less than a year ago.

The retail prices on ACME PIG MEAL, shipped in paper-lined burlap bags, are as follows:

100 lbs. ACME PIG MEAL	\$4.10 cwt.
500 lbs. ACME PIG MEAL	3.75 cwt.
1000 lbs. ACME PIG MEAL	3.70 cwt.
1 Ton ACME PIG MEAL	3.65 cwt.
2 Ton ACME PIG MEAL	3.60 cwt.
3 Ton ACME PIG MEAL	3.55 cwt.
5 Ton ACME PIG MEAL	3.50 cwt.

Prices subject to change without notice

The general opinion is, Corn, Oats, ACME PIG MEAL, ACME CALF MEAL and ACME MILK FEED have reached ROCK BOTTOM PRICES. At the present prices there is more money feeding hogs, calves and poultry than in many months.

In Search Of Adventure 2 Youths Meet Downfall In Robbing A Train

Weary of Shop Life Illinois Boys Stage "Wild West" Stunt And One Is Killed and Other Jailed, When Detectives Round Them up After Passengers Are Fleeced.

Kankakee, Ill., Dec. 30.—Working in their father's little automobile shop in the little village of Greenville near here, was an uneventful existence for Jacob and Joseph Scott, the two youths who desired to add spice to their humdrum life by holding up the crack No. 2 New Orleans-Chicago passenger train on the Illinois Central, in wild west fashion.

As a result of their venture, Jacob is dead from a bullet wound fired by the railroad detective and Joseph is in jail, and the father and mother are heartbroken.

The two youths boarded the train while the flagman was climbing the rear end of the train as it was getting started at Gillman, Ill. It was not long until the flagman felt three revolvers in his ribs. The two bandits said they were going to stick them up, when questioned by the trainman.

They entered the passenger coaches and pointed their revolvers toward the passengers and ordered them to "stick them up." A score of them obeyed. The brakeman was ordered to pass the hat to the passengers and they were instructed to drop their valuables into it. Two thousand dollars in jewelry and cash was collected.

The boys were captured a few hours later at Aroma Park station near here. Jacob made a dash from the officers and was found in an empty shop room. When the officers approached he began shooting until he emptied the shells from his revolver, then Special Railroad Agent O'neal returned fire and when the boy was found he was mortally wounded.

PLAN NO NEW SHIPS NOW

Republican Leaders Will Put Aside Daniel's Proposal

Marion, Ohio, Dec. 30.—Republican leaders planned to scrap Secretary Daniel's proposal for further naval expansion, Congressman Kelly of Michigan, said while here conferring with President-elect Harding on naval matters.

No new ships were authorized on the appropriations for the coming year which were sliced \$50,000,000 below that of last years, Kelly said. "We must keep the potential strength of our navy intact", the congressman stated, "but there is no immediate need of rushing work on new ships. The work will continue on those already authorized."
